**Twinkle, twinkle little toes.** Your feet say a lot more than just "oh th shoes are tight". Guests at the Spa at CopperWynd Resort & Club can l about their past, present and future with a toe reading. Performed by experienced therapist, Marie Bernat, toe reading provides guests insight why their toes curl in, why there are lines on your big toe, and what it when one toe touches another. Guests marvel at the insight given off f toes and Bernat's methods for a new direction. [www.copperwynd.com](http://www.copperwynd.com)

**Horse whispering.** The AAA Five Diamond Boulders Resort & Golden l has added a new purifying treatment to its menu. The "Horse to Heart Experience" allows guests to explore new life paths and learn about the by getting up-close and personal with a horse. The experience is based beliefs that interaction with horses can relieve emotional distress and s people on the path to inner self-discovery. [www.goldendoorspa.com](http://www.goldendoorspa.com).
